Popis The Spooky Cliff themed multi-play structure consists of three original monster-shaped towers, 6 monsters, two slides, interactive play panels in English, and climbing ramps, with a capacity for up to 25 users.

The Spooky Cliff multi-play structure for playgrounds consists of three original towers consisting of 6 monsters full of themed games to have fun with. Safe and secure, it has been manufactured and certified according to the regulations for playgrounds UNE EN 1176. Children will have terrific adventures climbing between monsters with nets and climbing walls, walking over moving bridges, and sliding down polyethylene or stainless steel slides. With a capacity for up to 25 users, it is perfect for public parks and outdoor play areas.
